COLLEGE DINNER HELD IN COMMONS

Undergraduates Renew "Fighting Spirit" on Eve of Alfred Game—Speakers Praise Support Given Athletics by Students.

MAC GREGOR, '97, SPEAKS

The first college dinner of the year was held in Commons Hall last Friday evening with practically the whole undergraduate body present. Considerable spirit was aroused for the Alfred game on the morrow. Kaiser, '21, President of the Honor Court, presented the Interfraternity No-Deal Agreement, which was signed by representatives from the various crowds.

Doctor Frank H. Wood, President of the Undergraduate Association, then spoke of former and present attitudes of the Trustees and Faculty toward athletics, our athletic traditions, and the purpose of the present athletic policy. He said that we have hard schedules ahead of us and that we must fight hard to win. Instead of offering athletes inducements to come here, our aim is to have every able-bodied man go out for some form of sport, and then to build up our teams from the material at hand. He concluded by saying that the college ideal, in addition to scholastic attainment, is to make men fit.

The next speaker, President Ferry, talked about the necessity of physical recreation for the student, and spoke of the various branches of athletics suitable for different mental temperaments. He showed how in learning to take defeat as well as triumph, we might uphold our reputation among other colleges, and in allusion to Alfred, spoke of the impression one Hamilton made there as an instructor during the S. A. T. C.

Doctor Robert G. MacGregor, '97, compared Hamilton of twenty-seven years ago to Hamilton today. He said he was happy to see the progressive undergraduate activities and the "intense life" on the Hill. He urged that the students maintain the old Hamilton fighting spirit and win or lose as gentlemen.

"Art" Campbell, Captain of Football, spoke of the team's work, its precedents, and hopes for the future, and ended by saying, "We will submit our action for your approval tomorrow afternoon."

The dinner was concluded with the singing of Carissima.

JUNIOR CLASS ELECTS

The Junior Class has elected officers as follows: President, Charles Thomas Keane of Binghamton; Vice President, Thomas Brinkerhoff Pope of Glencoe, Ill.; Secretary and Treasurer, Henry Severin, Jr., of Indianapolis, Ind.

BASKETBALL SCHEDULE

Saturday, January 8—University of Rochester, at Rochester.
Wednesday, January 12—Colgate, at Hamilton.
Friday, January 14—Trinity, at Hartford, Conn.
Saturday, January 15—Amherst, at Amherst, Mass.
Saturday, February 5—Tufts, at Clinton.
Tuesday, February 8—University of Detroit, at Clinton.
Friday, February 11—R. P. I., at Troy.
Saturday, February 12—Brooklyn Polytechnic Institute, at Brooklyn.
Saturday, February 19—University of Rochester, at Clinton.
Monday, February 22—Trinity, at Clinton.
Saturday, February 26—Union, at Clinton.
Friday, March 4—Colgate, at Clinton.

BASKETBALL SCHEDULE IS ANNOUNCED

Contains Twice as Many Games as Were Played Last Winter.

The basketball schedule for the coming season has been announced by Manager Peck, '21. It contains twice as many games as were played last year and every one of the twelve will prove a hard test for the Buff and Blue quintet. The gap in the schedule from January 15 to February 5 is due to the mid-year exams and Junior Prom. which come at that time, but Captain Cowan intends to hold practice during those two weeks as usual.

Rochester, Colgate, and Union are the only teams which faced the Buff and Blue basketball team last year. Of the others Tufts, University of Detroit, and Brooklyn Poly. are the only teams with which Hamilton has never before had athletic relations. Judging from last year, the first three teams mentioned are sure to put up a stiff fight against the home team. All the other institutions are noted for the strong basketball teams which they turn out, and Hamilton's team will have to work hard this year if it hopes to end the season with a creditable string of victories.

Basketball practice will begin directly after the close of the football season and, as was the case last year, the time before Christmas vacation will be taken up with a series of interclass games. When these games have been played off, Coach Ziel will select a squad from the eight class teams. Basketball "H's" will be given to men earning them in accordance with the new constitution of the Undergraduate Association which was accepted by the students at the spring meeting last year.

Everybody at Union Nov. 20.

BUFF AND BLUE ELEVEN DEFEATS ALFRED UNIVERSITY

First Game of Season Results in 7-0 Victory for Hamilton—Both Teams Use Aerial Attack—Hamilton's Game In All But Third Quarter—Buff and Blue Team, Although Outweighed, Faster Than Opposing Eleven.

The Buff and Blue football team defeated a team from Alfred University in the first game on Hamilton's schedule, played Saturday afternoon on the new athletic field. The score was 7 to 0. Both elevens relied upon an aerial attack, and the ball was in Alfred's territory during all but the third quarter of the game.

First Quarter

Alfred kicked off. The ball was carried back to thhe twenty-yard line before the Hamilton runner was tackled. A series of line plunges netted little. A pass to Campbell worked better and "Art" ran past five white lines before Alfred caught him. Lawler started with a forward pass for the Alfred goal. The interference stopped him one foot from the goal line. Alfred's defense stiffened, and after three tries by Hamilton to cover the distance the referee settled the matter temporarily by penalizing Hamilton fifteen yards. Campbell failed on a place kick, and the ball went into the Alfred men's possession. They immediately strove to kick the ball out of danger, only to find it rapidly approaching their goal once more after a pass to Campbell and a fifteen-yard gain by Warren.

Second Quarter

At the beginning of the second period Hamilton was thrown back for a loss; a trial at a field goal and a forward pass were equally without result. The ball went to the visitors, who, after several futile attempts through the Hamilton line, resorted to a kick. Hamilton fumbled, and for the first time in the game it was Alfred's ball on Buff and Blue territory. It soon passed into Hamilton's hands on downs. Warren scooped up a pass and ran down the field for about forty yards. The referee was convinced that Warren had executed a very neat pick-up and ordered him back. Alfred regained the ball but was unable to complete a forward pass. Then Clarke burst through tackle for twenty yards; a penalty of five yards, and three more gains by Clarke and Warren, averaging eight yards each, placed the ball on Alfred's eight-yard line. The crowd rose to see a touch down, but instead listened to the whistle announcing the end of the half.

Third Quarter

The third quarter was distinctly Alfred's. Hamilton kicked off. Alfred brought the ball back five yards, and in the melee following the tackle made use of the old, worn-out, decrepit shoe-string play. It netted Alfred forty yards. The next play scheduled was a duplication of the preceding one, but the execution was interrupted by a vigilant Buff and Blue warrior. Nevertheless, the ball went steadily toward the Hamilton goal. The Buff and Blue defense here proved its character, and the opposing fullback kicked the ball out of bounds instead of between the goal posts. Lawler kicked the ball to mid-field and there it stayed for the rest of the period.

Fourth Quarter

The last quarter was a comedy of intercepted passes. Shortly after the period began Clarke intercepted a pass on Alfred's thirty-yard line and sped down the field for a touchdown with half the Alfred aggregation in vain pursuit. Campbell kicked the goal. Hamilton kicked off, and an Alfred player after running the ball back twenty yards obligingly dropped it into a smother of plunging bodies. A Buff and Blue player was dragged out from under the heap with the ball tightly clasped to his stomach. Kelly threw a long pass to May. A purple-clad warrior and May caught the ball at the same instant and tugged mightily against each other. The referee judged in favor of May. Clarke made an eighteen-yard gain around end and placed the ball within a few feet of the Alfred goal. This chance to score was spoiled when Hamilton was penalized fifteen yards and Alfred intercepted a pass. In the scant time left to play, the teams contented themselves with intercepting each other's passes.

The Use of the "Hello"

The familiar "Hello" is dying out on the Hill. There is a tendency among the members of the Freshman Class to discard this time-honored greeting, so well known among older Hamilton men and so warmly welcomed by all who return to the Hill.

Many of the Freshmen have not yet become acclimated to the Hill. We trust that they will become so before many weeks are over. The College needs their cooperation, and that cannot come until they take to following the customs of the Hill. Chief among these customs is the "Hello."

Freshmen should speak first whenever meeting an undergraduate from the three upper classes. It is the rule that the Freshman address the man who is senior to him in order of classes. He will be replied to as cordially as he offers his "Hello." Try it, Freshmen. Learn to say "Hello" and say it first.

The College Singing

Professor C. K. Chase made an accurate comment on the singing of the College in Chapel last week, when he said that the recent singing of the undergraduates has fallen off considerably in quality from its old standard. A number of the alumni have remarked this. There seems to be a tendency to slow down the time of the old marching and football songs, and a corresponding loss in vigor and spirit.

This is a condition arising primarily from lack of practice. There should be more college singing this year than ever, because there are more men on the Hill who are unfamiliar with the songs of Hamilton College than there have ever been before. Some of the new men have good voices. As a unit they contribute largely toward the volume of the College's singing. But all of their efforts are useless until they learn the songs correctly and get used to singing with the rest of the undergraduates. The more quickly they do this, the more quickly will the singing improve.

DISCIPLINE COMMITTEE ORGANIZED FOR YEAR

Upperclassman Body Begins Duties—Finegan and Lawler, '21, and Bennett, '22, Elected Members.

The Upperclassman Discipline Committee has been organized for the present year. The Constitution rules that the five members of Pentagon, the president of the Senior Class, and the president of the Junior Class automatically become members of this body. The other three members are determined by election, two from the Senior and one from the Junior Class. The first function of this council for the coming year is to regulate "horsing."

The men who compose the Committee this year are as follows: From Pentagon, Campbell, Cowan, Gapp, Kaiser, and Van Kennen; Keehn, President of '21, Keane, President of '22, Finnegan and Lawler from the Senior Class, and Bennett from the Junior Class.

HAMILTON-IN-CHINA FUND

Y. M. C. A. Needs Seventeen Hundred Dollars for Paul M. Hamlin, '19, This Year.

At a meeting held in Chapel last week, two hundred and seventy-six men subscribed to the Hamilton-in-China fund. The pledges totaled nearly fourteen hundred dollars. Over three hundred dollars was signed for in cash, but only about two hundred and fifty dollars of this amount has been turned in. It has been requested that, in order to straighten out the accounts, all men who signed for cash payment and have not yet paid, see Van Kennen immediately.

According to the latest data that can be obtained, it will require at least seventeen hundred dollars to keep Hamlin in China this year and pay his expenses back to this country next summer. Various suggestions have been made in regard to raising additional money. A box will be placed in the college store in which the students may deposit "tinfoil" and odd pennies. Another contemplated plan is the collection of old papers from the dormitory rooms. At the present price of paper, quite a sum might be realized from the sale of quantities of waste paper. Entertainments of the same nature as those given last year may be given to raise the money.

The committee hopes to be able to pay off the two hundred dollar note held by the local bank and to send two hundred and fifty dollars to Hamlin within the next week or so. It is expected that seventeen hundred dollars will enable Hamlin to complete his work, bring him back to this country next summer, and leave him with about fifty dollars with which to get settled.

HON. ELIHU ROOT SPEAKS

Delivers Forceful Talk to Undergraduates in Chapel.

The Honorable Elihu Root, '64, spoke in the Chapel yesterday morning. It was his first public appearance since his recent return from Europe. Mr. Root's speech was very forceful. He said in part:

"The world is just where it was last year, and all peoples find it hard to get back into hard work. Industry is held up by the lack of raw material. Europe has used up all her money and has nothing to work with. We must move forward with the surge of time and new conceptions must replace old ones. The responsibility rests upon intelligent men who are broadly trained and are able to conform to any situation. The men of today are to be the great men of tomorrow. The way in which you conduct yourselves now will determine the destiny of tomorrow. No one can do greater things than the great artists of old, but we all profit by the knowledge of yesterday."

He concluded by telling the undergraduates that if they profit by the lessons of college life, they will be sure to succeed in the business world and will "go to the top" after leaving college.

STATE SCHOLARSHIP HOLDERS

An especially large number of men holding state scholarships are attending Hamilton College this fall. There are 19 of these men in the Senior Class, 11 in the Junior Class, and eight among the Sophomores. The Freshmen holding these scholarships are as follows:

Charles Raymond Chidester, Endicott; Frederick Joseph DeLaFleur, Jr., Utica; Robert DuBois Fowler, Newburgh; Frederick William Fuess, Jr., Baldwinsville; Harvey Reginald Goslee, Jewett; Donald Wilson Grieve, Perry; William Grant Lewi, Jr., Albany; Neal Errett McHargue, Dunkirk; George Aaron Marks, Old Forge; George Lyman Nesbitt, Schenevus; Frederick Carl Reidel, Albany; Alan Ripley Webb, Utica; Frank Higbie Wood, Jr., Chatham; Howard Erwin Yule, New Hartford.

Saturday, October 16, Hamilton will play the Rensselaer Polytechnic Institute in football on the new athletic field. Hamilton is determined to avenge the defeat which she suffered last year. According to the sporting page of the New York Times Hamilton's chances are better than her opponent's. R. P. I. has lost the first two games played this season, the first game to Williams, 63-0, the second to Norwich, 7-0. Hamilton gained a victory over Alfred, 7-0.

BANDSMEN WANTED

Men who can play a band instrument, but have none, come to the rehearsal in Silliman Hall Wednesday afternoon at 4:30 o'clock, and join the band. A plan is being formulated by Lopardo, '21, Band Leader, to borrow instruments for all men who need them. The men are practicing for the Union game, and it is desired that more men who have ability and experience in band playing join the organization.

Spice o' Life

The boy stayed in Carnegie Hall,
He did not hear the bell,
But when he got to Latin class
The teacher gave him extra homework.

Bonham: "Mr. Chrestien, is it the question that embarasses you?"

Chris: "No, sir; the question is all right, but it's the answer that embarasses me."

First Girl: "Those Freshmen must wear terribly heavy shoes."

Second Girl: "What makes you think that?"

First Girl: "A Sophomore told me last night that wherever the Freshmen walk the grass never grows."

"Bull" Durham: "Have you taken 'Horace'?"

Zip: "No, sir; but we have four men pledged so far."

DOCTOR PERISHO SPEAKS IN CHAPEL

Delivers Interesting Lecture on Economic Problems of England.

Doctor Elwood Perisho, former head of the State College of South Dakota and lately returned from England, lectured in the College Chapel Wednesday evening, October 6, on England's economic problems. During the war Doctor Perisho went overseas with the Army Educational Corps to establish an American Army University at Boune, France.

Doctor Perisho first outlined the coal situation as it now is in England. He said: "The coal miners decided on two propositions to put to the mine owners and the coal dealers: First, that the price of coal must be reduced, and second, that the miners must receive greater compensation for their labor. It seemed very likely that the miners would get their demands. All the labor organizations are strong in England at the present time." The speaker then mentioned briefly the prohibition question in Scotland, and said that they were to vote there soon on whether or not to close a certain per cent of the saloons in Scotland.

Doctor Perisho said that he believed the future of the world lies largely with the English speaking people. "England and America are the greatest countries in the world," he said, "and America should not try to outdo England, but should work with her. I want college men, now that we are at peace, to show themselves just as good helpers of the government as they were in the time of war. If men are to be leaders they must acquaint themselves with all the great economic problems of the day."

Last Monday afternoon the first Sophomore-Freshman baseball game was played, the Freshmen winning by a score of 12 to 7. Loomis pitched for '23, Marks for '24. The sensational inning was the sixth, in which the Freshmen scored four runs, to which they added five more in the seventh.

In the second game, played Wednesday afternoon, the Sophomores won, 6 to 0.

FRY, '21, RECEIVES HONOR

At the 73rd International Convention of the Theta Delta Chi Fraternity, held in Minneapolis July 8-10, the local charge was honored in the selection of Franklin C. Fry, '21, as treasurer of the Grand Lodge. The Grand Lodge of Theta Delta Chi is the governing body of that fraternity between conventions, and is composed of only five members.

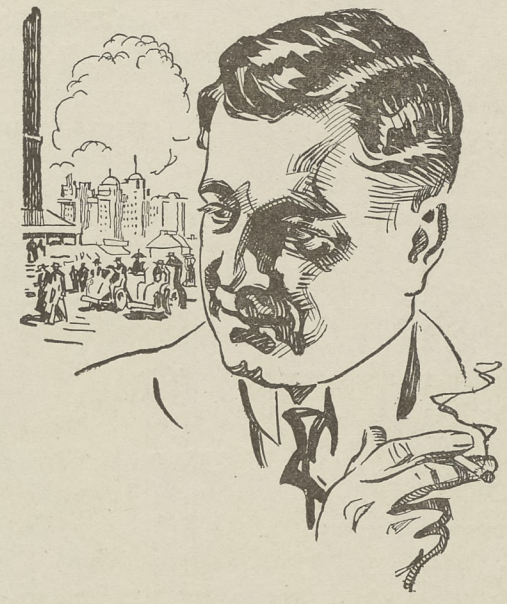
ICE CREAM CANDY TOBACCO

A fact:
At nearly every hotel on the famous boardwalk at Atlantic City, Fatima is the largest-selling cigarette. And the same holds true for hundreds of other leading hotels throughout the country where, day-in and day-out, the demand is for "just enough Turkish."



Honest, now—have you found the *right* cigarette?

IF you are the least bit doubtful, it is probably for one of two reasons:

Either your cigarette contains *too much* Turkish tobacco and is over-rich and heavy, or it contains *too little* Turkish and lacks taste.

The "right" cigarette should have *less* Turkish than those of the straight Turkish variety, but *more* Turkish than ordinary part-Turkish or Turkish Blend cigarettes. In other words, it should contain "*just enough Turkish.*"

Judging from scores of sales-records such as the one above, most smokers find "just enough Turkish" in Fatima.

For while Fatimas *do* avoid the over-richness of straight Turkish cigarettes, yet they contain *more* Turkish than any other Turkish Blend. Rich, but not over-rich; that explains why Fatimas please the taste without tiring it.

You can prove this.

HAMILTON TO MEET AMHERST IN DEBATE

Debate Between Two Colleges to be Held in the Chapel the Second Friday in December — Four Men to be on the Team.

OTHER DEBATES LATER

Final arrangements are being completed for a debate between Hamilton and Amherst, to be held in the College Chapel the Second Friday in December. This debate will signalize a complete departure from Hamilton's traditional debating methods, and may mark an epoch in its debating history.

The plan of the debate will be somewhat as follows: In the very near future Hamilton will submit to Amherst three general questions, such as state socialism, government ownership. Amherst will likewise decide upon three questions, as will also Syracuse and Cornell, which will be included on the same trip which will bring the debating team here. It is expected that agreement on one of the various questions submitted will be reasonably easy.

On the night before the debate, the leaders of the Hamilton and Amherst teams will decide upon the phase of the question to be debated and the wording of the proposition. A coin will be tossed to decide the sides to be taken by the two colleges. This decision will be reached immediately after the Amherst-Cornell debate.

Each team will be composed of four men, only two of whom will actually speak. The two selected will be those judged to be most fitted to handle the specific propositions and the side which falls to Hamilton. The four men who will compose the squad will be selected directly by the debating coach, Professor Marsh. It has been deemed inexpedient to have general competition for the squad which will represent Hamilton in this particular debate, due to its unusual nature. However, it is planned to have general tryouts for the teams which will participate in the later debates of the year. The eighteenth of December is being tentatively reserved for such tryouts. The intercollegiate debaters expect confidently that the Amherst debate will do much to stimulate local interest in debating.

Hamilton will place herself in the front rank of modern progressiveness in the debating world by adopting this new experiment. The Hamilton-Amherst debate will command wide attention, and its success will justify the hopes of many that something may be done to cure the traditional defects of intercollegiate debating and to stimulate renewed interest in this branch of intercollegiate competition.

Y. M. C. A. CABINET MEETS TO DISCUSS PLANS FOR YEAR

The Y. M. C. A. Cabinet met Sunday morning to discuss plans for the coming year. President Harper proposes to make the "Y" an active factor in the life of the College this year. Criticism of this work in the past has been that the College Y. M. C. A. has never accomplished anything definite in the life of the students.

Silliman Hall will be fitted up with the purpose of making it a social center. It is hoped that the non-fraternity men especially will find the "Y" a place where they may go for pleasure during leisure hours.

The pool table has been fitted up and is already in use. Several current magazines are being subscribed for and will shortly be found on the table in the reading room; the piano is to be tuned, a window seat will be installed, chess men will be provided, and the place will be equipped for social recreation.

Movies will be given throughout the year in Commons Hall under the auspices of the "Y". These shows are very welcome on Saturday nights during the cold winter months when Utica is practically inaccessible. A series of informal "get-togethers," to be held around the fire in Silliman Hall, is also planned for this winter.

The membership campaign conducted a few weeks ago has proved very successful. Complete returns are not yet in, but it is estimated that fully 275 have signed up for the year.

President Harper after consultation with his cabinet has decided to run a modified course in Bible study. Completion of the plan has been left to a committee consisting of Allen E. Throop, '21; Robert I. Williams, '21, and Gordon G. Kibler, '22. The matter will probably be brought to the attention of the college body within a few days, and the details of the plan will be presented at that time.

1922 HAMILTONIAN BOARD ORGANIZED

Assistant Editors Appointed and Contracts Completed for Yearbook.

At the risk of being trite, Editor-in-Chief Turner, '22, and Manager Martin, '22, promise that the 1922 Hamiltonian will be the best ever seen on the Hill. They have adopted a policy that places quality before cost and in making plans for the year have used as a basis not previous editions of Hamiltonian but the year books of other colleges throughout the country.

An editorial board has been appointed consisting of the following men: Art Editor, Henry J. Severin, '22; assistant editors, Norman R. Baker, '22, Roy R. Forshay, '22, Robert Mason, '22, Leo S. Mulford, '22, Vincent R. Smalley, '22, Francis W. Smith, '22, Arnold Smith, '22, Walter C. Stone, '22. The business staff includes Manager Martin, Dean Alfange, '22, Associate Business Manager, and James Brown, '22, Assistant Business Manager.

Manager Martin has been negotiating with several printing firms and contracts for the yearbook are being completed.

ADDITIONS TO LIBRARY

The College Library acquired a large number of books during the summer. Since June first, the librarian has obtained nearly eight hundred volumes, most of which were purchased. Over one hundred, including several sets of biological periodicals, were given from the library of Professor A. D. Morrill. Important works on the history of art were received from G. W. Kellogg, '86. From the library of the late Reverend Henry F. Gilt, Mrs. Gilt presented over forty-four volumes as a memorial to her husband.

Glee Club Tryouts in Silliman Hall Friday, October 15, at 8 p. m. Men who made the Easter trip last year need not report.

TRACK MEN MEET R. P. I. SATURDAY

Three Mile Cross Country Race to be Held Over New Course.

The cross country schedule will start next Saturday with a meet against R. P. I. on the new local course. The candidates are showing up especially well under the direction of Captain Holler and in the daily work have progressed rapidly. The men who are showing good form are: Thompson, '23; Van Hoesen, '23; Yates, '23; Doane, '23; Loveland, '23, and Fenn, '23. The course for Saturday's run will start at the Sigma Phi Hall and end at Dr. A. P. Saunders's home, making a good three miles. It is planned to finish the meet during the halves of the R. P. I. game. Although the schedule has not yet been completed, meets with Colgate, Rochester, and Union are expected.

EXECUTIVE COUNCIL MEETS

Increases Made in Apportionments to Several Departments — Basketball and Hockey Schedules Approved.

The first meeting of the Executive Council of the college year was held Monday of last week, with Doctor F. H. Wood, George Sicard, '06, Joseph Rudd, '90, Campbell, Cowan, Van Kennen, and the managers of the various sports present.

It was moved and carried to set the undergraduate tax for the year at $8. At the same time the announcement was made that the Trustees of the College would guarantee this tax up to four hundred men, and would make up any deficit caused by the presence in the College of any less than that number. The soccer team was granted $200 with which to arrange and carry out a schedule for the season, and the cross country team was given $150. Basketball was given $100 extra, making a total of $1310. A twelve-game basketball schedule was approved, also a twelve-game hockey schedule.

Instrumental Club Tryouts Wednesday evening, October 20.

TRUSTEES HOLD FALL MEETING

Two Gifts by Prominent Alumni, Announced at the Meeting, Will Provide Nine Hole Golf Course for the College.

CHANGES IN SCHOLARSHIPS

The fall meeting of the Board of Trustees of Hamilton College was held in Truax Hall Saturday morning. President Ferry reported that there are 317 men actually in College, the largest number in the history of the institution. He announced that a course of lectures had been provided which will include among the speakers Dr. George Brewer, the eminent surgeon of New York City; Clinton Scollard, the poet, and Edward Root, who will lecture on art.

It was decided to scale the scholarships, so that those standing high honor should get $150, honor $120, credit $90.

Paul C. Squires, '17, was appointed an assistant in the department of philosophy. A third assistant was authorized for the library.

The president reported a recent visit to the College of J. Platt Underwood, '70, of Chicago, who inspected the entire property, noticed the large area of land and the fact that three golf holes had been provided and were quite generally patronized. There being ample room for a nine-hole course, Mr. Underwood offered to give $2000, the sum estimated for laying out the grounds by an expert. The proposition was gratefully accepted and referred to the Ways and Means Committee to provide funds for the upkeep, Senator Root offering to give $1000 for that purpose.

A communication from the Alumni Council was received and read. That part of it referring to having the Clark prize exhibition in the Stone Church at Clinton was discussed for some time and finally referred to the faculty. That part of it referring to a special football coach was referred to the Committee on Undergraduate Activities.

A resolution was adopted on the death of Thomas R. Proctor of Utica, Trustee of the College.

The Autumn Field Day will be held Thursday afternoon, October 14, or Friday afternoon, October 15, in case of rain. Men entering will be excused from gym class the remainder of the week. Soccer teams and tennis teams are to represent the four classes. No man will be allowed to enter more than one of the following events: Cross country; soccer (12 men from each class); track events, including golf-driving as an event, each man entering only three events: tennis (two teams of doubles from each class).

A banner will be given to the winning class.
